

LCAN 101 Series

Turn collaboration into impact for Florida students.

Monthly virtual sessions delivering practical tools, meaningful connections, and proven strategies for college access & success.

FLORIDA
COLLEGE ACCESS NETWORK
2025-2026

**OCTOBER
2025**

Session 1: The Evolution of Collective Impact

Discover how successful collaboratives have transformed over the past decade and what the research reveals about what actually works. Learn the unique role LCANs play in improving college access across Florida.

NOVEMBER

Session 2: Building Authentic Community Partnerships

Master the art of creating genuine partnerships that leverage community strengths. Explore real LCAN examples and take home practical tools for engaging stakeholders meaningfully.

DECEMBER

Session 3: Data & Storytelling for Change

Move beyond counting activities to measuring what matters most. Learn how to combine compelling data with powerful stories that inspire action and secure support from stakeholders.

**JANUARY
2026**

Session 4: Smart Strategy in Uncertain Times

Navigate complexity with confidence using adaptive planning approaches. Build collaborative structures that bend without breaking when facing unexpected challenges.

FEBRUARY

Session 5: Strengthening Your Network

Assess your collaborative relationships and communication systems. Practice proven strategies for building trust, resolving conflicts constructively, and maintaining strong partnerships.

MARCH

Session 6: Technology That Connects and Amplifies

Harness digital tools to strengthen collaboration, amplify your impact, and extend your reach.

APRIL

Session 7: Creative Funding & Sustainability

Unlock diverse funding strategies and explore innovative partnership models. Develop approaches for long-term financial sustainability and resource sharing.

**MAY
IN PERSON**

Session 8: Planning for Population-Level Impact at the Summit!

Create a strategic roadmap that leads to real results. Develop your Theory of Change and build an 18-month action plan with your partners in this interactive capstone experience at the **2026 FCAN Summit in Tampa**.
